**Sturdy Savings Bank Names Scott Halliday
to Board of Directors**

Cape May Court House – February 16, 2018 – Sturdy Savings Bank announced it has recently named Scott Halliday to their Board of Directors.

As a Board member, Halliday will work in concert with other Board Members to administer the affairs of the bank. This includes setting strategic direction, oversight of business strategies and policies, and ensuring the safety and soundness of the Bank for its depositors.

“We are pleased to have Scott on our Board, and look forward to his insight and contributions,” said Board Chairman James Fisher. “He is a long-time customer and we are honored to have him on board.”

The decision to name Halliday to the Board was based on his integrity, prudent business acumen and community involvement, which aligns with the core values of Sturdy Savings Bank.

Halliday has been a long-time, recognizable figure in his community, due to his extensive involvement, taking on volunteer roles with chambers, associations, educational and non-profit entities, including the Ocean City Regional Chamber of Commerce, South Jersey’s Builder’s Association, Shore Memorial Hospital, and the Ocean City Board of Education.

Halliday is owner and president of Halliday Leonard Inc., a custom home building and development business, for the past 39 years. During that time, Halliday Leonard Inc. has built over 2,000 homes and commercial units in Cape May County and Atlantic County.

Sturdy Savings Bank serves Cape May and Atlantic Counties at 13 branches located in Avalon, Cape May, Cape May Court House, Dennisville, North Cape May, North Wildwood, Ocean City, Rio Grande, Somers Point, Stone Harbor, Tuckahoe, and Wildwood Crest. A 14th branch location will soon open in Marmora.

Each of Sturdy’s branches consider the communities in which they are located their homes, and are dedicated to see those areas succeed. The bank often donates to local organizations, and supports schools because it values the development of the youth in the communities it serves.
