Sturdy expands to two locations in Upper Township

Marmora, NJ – March 19, 2018 – Sturdy Savings Bank announced the opening of its 14th full-service branch location on March 19.

The new branch, located in Marmora at 46 South Shore Road, offers its full range of banking services and products, and features drive-thru lanes as well as a full-service ATM machine, offering customers 24-hour banking.

“When it comes to community banking, Sturdy Savings Bank is all about convenience, friendly service, and choice. That’s why we are very excited to expand our branch network to Marmora, giving our valued Upper Township customers an additional convenient banking location to complement our existing Tuckahoe and Ocean City branches,” said Gerald Reeves, Sturdy Savings Bank President and CEO. “It also expands banking choices for those who have experienced many changes in the community banking landscape in Cape May County, and may be looking for a better option – one that has served Cape May County for more than 95 years.”

A ribbon cutting event will take place on Friday, March 23 at 10 a.m. with bank staff and area elected and business officials.

An Open House Week will take place Monday, April 9 through Saturday, April 14 during regular banking hours. It is open to the public and free to attend. Activities include daily giveaways, treats, free hot dogs on Saturday, and more.

"I invite the community to come visit me and my staff at our new branch. I am excited to be a part of the Sturdy Savings Bank family and to continue to serve the Marmora community," said Branch Manager and Assistant Vice President Eileen DiPasquale, who has worked in Marmora for seven years.

The bank, which has been recognized as a "breakthrough lender" by the SBA, serves the community at 14 different locations, including Avalon, Cape May, Cape May Court House, Dennisville, North Cape May, North Wildwood, Ocean City, Rio Grande, Somers Point, Stone Harbor, Tuckahoe, Wildwood Crest, and now Marmora.

Each of Sturdy's branches consider the communities in which they are located their homes, and are dedicated to see those areas succeed. The bank often donates to local organizations, and supports schools because it values the development of the youth in the communities it serves.
