

With a third government stimulus payment, also called an Economic Impact Payment, on the way, we want to make sure you have answers to questions that matter most.

**Where can I find information about eligibility, payment amounts, payment delivery and timing for this payment?**

We encourage you to go directly to [IRS.gov/EIP](https://www.irs.gov/eip) where you'll find details as they are available. With their Get My Payment tool you can confirm your eligibility and if eligible, get details on how you'll receive your payment and the date it's scheduled to be deposited or mailed.

Please keep in mind that our branch staff and customer service team won't have this information.

**If the IRS sends my payment by direct deposit, how will I know when it's available in my Sturdy Savings Bank account?**

You can log into your account online or via the mobile app to check your balance and activity.

**If the IRS sends my payment by paper check, how can I deposit it to my Sturdy Savings Bank account?**

Deposit or cash the check at one of our conveniently located branches.
